SELECTMEN

KENNETH L. SHERMAN, F. ARTHUR LARSON and MERLE S. RICH

REPORT of the SELECTMEN

At the 1970 Town Meeting held March 10th, the people voted by ballot 127-75 in favor of appropriating \$130,000 for the purpose of financing and constructing a municipal sewerage system at Croft Beach, and extending and winterizing the present system at Blodgetts. However, this failed to achieve the necessary two-thirds majority by eight votes.

A Special Town Meeting was held May 23, 1970, at which time the voters did pass by a substantial two-thirds majority the appropriation of \$130,000. for the purpose of financing and constructing a municipal sewerage system and Croft Beach, and extending and winterizing the present system at Blodgetts.

This we consider a big step forward in cleaning up Lake Sunapee and general improvement of our Town. At the present writing, the work is progressing very satisfactorily with the winterizing virtually completed.

An article in the warrant calling for the appointment of a Commission on Conservation was passed. This Commission has been appointed with Richard Wright as chairman.

Also, an Historical Committee has been appointed with F. Arthur Larson as chairman. Both committees have been meeting and are enjoying great interest.

On August 8th, another Courtesy Town Meeting was held. It is felt that these meetings held during the summer have real value for the Town. They give an opportunity for the non-residents who are taxpayers to voice their opinions and to ask questions.

A petition was received by the Selectmen from a group of interested citizens calling attention to a group of dead trees on the edge of the Lakeside Cemetery and requesting appropriate action. However, before the petition was received, the Selectmen had contacted the Public Service Company who agreed to have the trees removed. Work on the Chandler Cemetery at Mt. Sunapee continues to progress very satisfactorily.

This year of 1970 was definitely another year of superb citizen participation in the affairs of our Town. This was a year of real progress for our Community.

TOWN WARRANT

To the inhabitants of the Town of Newbury, in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Town Hall in said Newbury on Tuesday, the 9th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of same.
3. To hear reports of Town Officers, Agents and Committees heretofore chosen and pass any vote relating thereto.
4. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
5. To see what action the Town desires to take in raising and appropriating the sum of \$1,147.18, the State to contribute the sum of \$7,647.89 for class V roads (T.R.A.)
6. To see what action the Town desires to take regarding raising and appropriating the sum of \$5,000.00 for the Equipment Fund.
7. To see what action the Town desires to take regarding raising and appropriating the sum of \$2,500 for the Fire Department Equipment Fund.
8. To see what action the Town desires to take regarding the raising and appropriating of a sum of money to repair the Town Dock at Blodgett's Landing. At time of meeting the figures will be given.
9. To see what action the Town desires to take regarding the raising and appropriating of the sum of \$13,000.00 for the purchase of the so-called Bell Cove land.
10. To see what action the Town desires to take regarding the raising and appropriating of

the sum of \$700.00 for the purpose of installing a Destrolet in the Selectmen's Office.

11. To see what action the Town desires to take regarding accepting the following Trust Funds:

F. Arthur & Josephine B. Larson \$200.00
Lakeside

12. To see what action the Town desires to take in regards to changing Paragraph 9 under B in Article 3 to require a charge for Building Permits.

13. To see what action the Town desires to take in regards to granting two weeks vacation to all Town employees with five years or more of service.

14. To see what action the Town desires to take in raising and appropriating the sum of \$250.00 for annual salary to the Fire Chief.

15. To see if the Town will vote to change Article 3A of the Building Regulations to read in the second sentence: "Normal repairs and restoration, interior or exterior, which do not alter the principle use of the building will not require a building permit."

16. To see if the Town will authorize the Planning Board to propose and adopt land subdivision regulations.

17. To see what action the Town desires to take in raising and appropriating the additional sum of \$300., thereby increasing the annual contribution from \$700. to \$1,000. to the Lake Sunapee Board of Trade.

18. To see what action the Town desires to take in regard to a retirement and health benefit plan for full-time town employees and raise and appropriate money for same.

19. To see if the Town will vote to pass an Ordinance in regards to parking on Public Highways during the hours from 5:00 P.M. to 7:00 A.M. This Ordinance to take effect on the date of its passing.

OFFICE OF SELECTMEN

Town of Newbury,

South Newbury, N.H.

January 26, 1971

We, the Auditors of the Town of Newbury have this day audited the books of the Selectmen, Treasurer, Town Clerk, Tax Collector, Trustee of Trust Funds, and Sewer Department, for the year 1970, cast their figures, compared their vouchers, and found them to be correct.

G. WEBB. ROGERS
ALTON B. CHAFFEE
FRANK W. YAGER
Auditors

HEALTH DEPARTMENT

1970 was a busy year for the Health Department. More cottages and homes were constructed

than last year, and with the exception of one, all others required approvals for construction of sewage disposal systems by the N.H. Water Supply and Pollution Control Commission and approved for operation by the health officer as their agent.

Users of water from Lake Sunapee for domestic purposes, will be happy to know that work is progressing satisfactorily on the extension of sewage disposal facilities from Blodgett's Landing through the Croft Beach area and will be ready for use early in the Spring of 1971. The entire system will then be winterized and open for year round use. This should eliminate the majority of pollution problems which have plagued this area for so many years.

Inspections of shore properties this year show definite improvements over 1969 and indicate that more people than ever are becoming pollution conscious.

I would like to take this opportunity to thank all shore-property owners for their cooperation when inspections were made while I was health officer and that Ernest L. Sherman, who has been appointed to replace me, will receive the same cooperation.

ALTON B. CHAFFEE
Health Officer

I hereby certify that the Sewer Accounts of tax levies for the years shown are correct to the best of my knowledge and belief.

EVELYN C. DAVIS
Tax Collector

I would like to thank everyone for having patience and understanding with me during this past year. I would especially like to thank the three Selectmen, Treasurer Walter Croteau and previous Town Clerk and Tax Collector, Violet Jones, for the many hours and much help that they have given me during this difficult period of learning. It has been a pleasure to serve my town and its' people.
Evelyn C. Davis

VITAL STATISTICS

Births

Registered in the Town of Newbury, N.H., for the year ending December 31, 1970.

Dec. 30 — Patrick Francis Chambers: mother, Patricia Alice Chambers; father, Francis Nelson Chambers. Place of birth: New London Hospital.

Marriages

Feb. 1 — Hayden Nichols Wright, New London, Patricia Ann Pomeroy, Newbury; by: R. W. Thurston, Minister.

Mar. 7 — Melvin Arthur Willis, Newbury, Karen Lee Ansart MacNab, Newbury; by: R. A. Wallace, Minister.

Mar. 1 — Bruce Everett Farnham, Newbury, Sandra Marie Crowdle, Feeding Hills, Mass.; by: Carl R. Bartle, Minister.

May 16 — Peter Chalfant, Hopkinton, Pamela A. Jones, Newbury; by: Jack S. Scott, Rector.

May 22 — Peter Conrad Diekmann, Newbury, Vickie Alene Chadwick, Sutton; by: R. S. Bristol, Justice of Peace.

Sept. 13 — Roger Samuel Breck, Newbury, Rhoda Todd Sheffield, Doylestown, Pa.; by: Theodore Yardley, Priest.

Nov. 10 — Stanley J. DeVeau, Newbury, Daisy L. Kalagher, Holden, Mass.; by: Rev. D. B. Shirley, PhD.

Dec. 10 — Francis Irving Fogwill, Jr., Southbridge, Mass., Cheryl Elaine Hall, Newbury; by: R. W. Thrston, Minister.

Deaths

Apr. 15 — Avis Folsom	Age 87
July 13 — Constance Coleman	Age 73
July 26 — Herbert D. Rose	Age 84
Aug. 27 — Peter Craig Fiske	Age 25
Sept. 6 — Lillian Adams Cilley	Age 81
Oct. 15 — Howard Isaac Savage	Age 71
Nov. 6 — Loren W. Ayer	Age 38

I hereby certify that the recorded births, marriages and deaths listed herein, are correct according to the best of my knowledge and belief.

EVELYN C. DAVIS
Town Clerk

WARDEN'S REPORT

The Warden and three deputies attended a training session at Newport during the spring season.

There were three fires for the year, burning about one-half acre.

We appreciate greatly the assistance of all residents and non-residents in helping to suppress the danger of forest fires by acquiring permits for outdoor fires and incinerators.

NORMAN E. SMITH
Warden

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture — to bring about this change we make the following suggestions:

1. When the ground is not covered with snow, a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning. Such burning is restricted by regulation prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children. Keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

State —	484 fires —	244 acres
District —	29 fires —	13.5 acres
Town —	3 fires —	.7 acres

NORMAN E. SMITH
Forest Fire Warden
GERALD S. GROSS
District Fire Chief

REPORT OF FIRE DEPARTMENT Fires Reported During 1970

JANUARY

16 Paul Diekmann—chimney fire. No damage.
24 Chalk Shores Development—New house, interior burned extensively. Dog died in fire.

FEBRUARY

2 Main St., Bradford—ass't Bradford Fire Dept.
3 Sutton Rd., South Newbury—False alarm.

MARCH

- 12 Cumming's Barn, Bradford — assist Bradford Fire Dept.
- 17 William Colgate, Bradford — Assist Bradford Fire Dept.
- 21 G. Webb Rogers—Boat house. Total loss.

APRIL

- 28 Ledge Hill — Brush Fire.

MAY

- 2 Frank Yager — Brush fire.

JUNE

- 6 Appleyard Cottage—Chimney fire. No damage

JULY

- 1 Charles Hosmer — Tractor fire. Damage ext.

NOVEMBER

- 9 Arthur Larson—Barn. Total loss.

DECEMBER

- 12 Watkins, Chalk Pond Rd.—Chimney fire, no damage.
- June 23
- October 20 Also, one call each month for check.
- Number of meetings — 12
- Number of fire drills — 17
- Number of men currently on roster—30
- Total hours worked by dept. — 955
- (meetings, drills, schools, fires)

The number of persons killed or injured in fires, and the property damage caused by fires, continued to rise in 1970. Increasing population and the additional property that goes with it, is placing an ever increasing burden on all fire departments.

We in Newbury are faced with several problems. First of all, we are growing very rapidly. Secondly, we are not an industrial area, but rather a resort area, which means that most of our able-bodied men are employed out of town. This causes a severe manpower shortage during working hours Monday through Friday. Another problem facing our department is inadequate housing. We cannot expect to meet rising needs without adequate space.

Some of our major accomplishments during 1970 were the installation of a dry hydrant at Mt. Sunapee, now in operation, a state-owned Forestry truck which should be ready for the spring fire season, also purchase of a boat which we hope to convert into a fire boat for the protection of Great Island and all lakeshore property.

The principal aim and objective of the department is to give the people of this town the best fire protection possible. We can only accomplish this with your interest and help. My personal thanks to the men in the department and to everyone for their cooperation.

CLARK M. DAVIS
Fire Chief

Baker Hill Road, Overlooking Mt. Sunapee, Newbury

ARTHUR W. JONES
Chief

REPORT OF HIGHWAY DEPARTMENT

Many of the items in this report would be the same as previous years, so I will just say that normal operations such as plowing, sanding, graveling, grading, sweeping, brush cutting, sand stockpiling, asphalt mixing, etc. were carried out.

In addition to this, the following projects were done:

Prepared 1969 Town Road Aid construction on Chalk Pond Road for top finish and helped mix and roll same.

Cleared, drained and graded six-tenths mile of new construction under Town Road Aid at Chalk Pond Road which will receive top finish in 1971.

Permanent Improvements during the year include some widening and boulder removal on Bay Point Road, stump and rock clearing on Stony Brook Road, widening of dangerous spot on Dump Road, widening, large culvert renewal and gravel on Rollins Road and culvert renewal and repaving at several locations in town.

We worked our equipment on a rental basis several days for the Town of Bradford on Town Road Aid work there.

The additon at the Chandler Cemetery at Mt. Sunapee was handled by the Highway Department and is nearly complete except for loam, seeding and fence work.

Some repair work was done to the roof at the Town Garage by the crew to prevent ice and water problems in winter.

We also did the dozing and fill work at the dump as in the past.

I would like to report that the sand spreader voted at the 1970 Town Meeting has proven very satisfactory both on ice and asphalt sealing work. It is capable of spreading sand, salt or calcium chloride. It is a great time and labor saver and does a much better job than anything we have had in the past.

In closing, I would like to say that the Highway Department appreciates the way the voters have cooperated over the years in providing funds to buy top quality equipment and to maintain our roads properly.

HAROLD J. FOLSOM
Road Agent

ANNUAL PLANNING BOARD REPORT

Your Planning Board was pleased in that the Town voted to accept, at the last Town Meeting, both the proposed Zoning and the Building Regulations. This was an unprecedented forward step, never before seen in New Hampshire.

The provisions of these regulations became ef-

fective 60 days after the Town Meeting, specifically on May 11, 1970. Now the proper agencies and individual began to function. In these last months it has been noticed that the directives have borne fruit.

The Board now feels very strongly that Subdivision controls are necessary because of the numerous housing developments in process or impending. Our concern stems from potential liability and costs generated by increasing public services.

We regret that more was not accomplished, but are sure that enthusiasm, combined with experience, will result in a more productive coming year.

YOUR PLANNING BOARD

ALICE E. LYNN

Chairman

NEWBURY CONSERVATION COMMISSION REPORT

During the past year the Newbury Conservation Commission has been involved in a preliminary survey of the town's present and future needs in relation to conservation. Areas of study have included soil and land use, topography, scenic and natural areas for preservation, and environmental quality. The Commission has been meeting with various experts to obtain information and guidance in these areas. Among them, Mr. Allen Mayville, District Conservationist, and Floyd Barker, Environmental Specialist from the U.S. Department of Agriculture, presented a program on the "Environmental Crisis of Today" at a public meeting during the year.

Future plans of the Commission call for the distribution of an informational newsletter, a complete study of the water resources of the area, the recreational potential of the town, as well as the promotion of conservation practices best suited to the area.

The Commission welcomes any suggestions or ideas pertinent to sensible conservation practices in the area.

RICHARD J. WRIGHT, *Chairman*
Mrs. JOHN ROCHE
Mr. DICK PARKER
Miss JEAN BRADEEN
Mr. NORMAN SMITH
Mr. CLIFFORD AYER
Mrs. HAROLD GOUBERT

DARTMOUTH-LAKE SUNAPEE REGION ASSOCIATION ACHIEVEMENTS

The DLRSA is supported by town appropriations, state investment voted each two years by the state legislature and memberships by business firms and individuals. Your communities investment is multiplied many times when it is added to other

funds. Region receipts last year were \$13,560. and expenditures \$11,350.

Region funds were sufficient to allow the DLSR name and story to be on 650,000 pieces of literature. Also, our region events and attractions are advertised throughout the eastern United States on TV, radio, in newspapers and at travel shows. The entire program is aimed at a select clientele — family people who buy groceries, gas clothing, gifts, sporting goods, antiques, building materials, eat and stay in Inns and motels as well, as ski, golf, swim and rent boats.

Good promotion must be backed by attractive resources sufficient to care for our visitors and our inhabitants. Your region association has done much

to improve our resources by aiding the establishment of new and expanded state parks and boat landings, preserving covered bridges and encouraging planning and zoning and working for a clean environment. Your town has benefited directly from all of these.

Thirty-two years of successful promotion is the record of your region association because your community, the state legislature and hundreds of dedicated citizens believe in its goals. May they continue forever!

HENRY F. SELLE, *President*
Dartmouth-Lake Sunapee
Region Association

A portion of Andrews Brook below waterfall

HEARING — CROFT BEACH SEWERAGE SYSTEM

8:00 P.M., February 14, 1970

Speakers for Town of Newbury — Fletcher (engineer), Sherman and Rich (selectmen), Rogers (presentation).

Attendance about 20.

Mr. Sherma npointed out the very high morale of the voters of the town and their interest in keeping facilities the best possible to insure public health and safety.

Mr. Rogers made a complete presentation covering projected costs for construction and operation of the extended service to be furnished by the proposed extension and addition to the present sewerage system now in operation at Blodgett's Landing:

Cost — \$130,000.00

Outlets — 100 approximately

Construction— Winterized Imhoff cover and new sewer lines.

Additions — New generator for stand-by power source.

Future Growth — Sized for future normal growth in area to be served.

Mr. MacDonald requested the Selectmen to mail each voter of the town a resume of the proposed sewer construction to include costs and particulars for their study prior to Town Meeting. Also, asked what was to be done with surface water now being emptied into Lake Sunapee in the Blodgett area. (Advised that this water collecting into the sewer system will be handled by the sewer syystem.)

Mr. Roland Kinsman asked the present and proposed connection charges for use of the sewer system. (Advised \$18.00 per outlet connection for each house fixture on the present system. New system fixture charge \$45.00 each for first three years and then \$33.00 each—estimated.)

Mr. Emerson pointed out that present Statutes of the State of New Hampshire protect and cover any new construction for sewerage systems and protect against water pollution. Also, that failure to provide sewerage facilities for the Croft Beach area will mean loss of some existing cottages whose septic tanks become flooded during high water levels of Sunapee.

Meeting adjourned about 9:30 P.M.

WALTER M. ROBERTS
Moderator

WORK TO BE DONE — Selectmen to mail each voter covering letter on sewer extension for Croft Beach.

RECOMMENDATION by Mr. Fletcher—Acquisition of additional land adjoining present filter bed land for future requirements.

SPECIAL TOWN MEETING

Re: Croft Beach Sewerage Extension May 23, 1970

Assistant Moderator Merle S. Rich opened the meeting at 5 P.M. Mr. Rich read the new ruling on Assistant Moderators. (Chapter 40—Section 3A). He then read warrant. There was no discussion. Polls closed at 10 P.M. There were 132 votes cast:

YES — 108 NO — 24

EVELYN C. DAVIS
Town Clerk

HEARING ON SEWER EXTENSION —

Bowles Road

7:30 P.M., November 10, 1970 Selectmen's Office

William Fletcher explained that a hearing was required by law before any procedure is taken to take land eminent domain. He showed the land that the lines will pass through and the names of the property owners. He had complete layouts and maps of same. Explained procedure and steps that must be taken. Also, that all persons involved have received notification by certified mail.

Present were: Selectmen Merle S. Rich and Kenneth L. Sherman, William Fletcher; Atty. Gilbert Upton, Mr. and Mrs. John Capron, Russell Ricard, Roy Parsons, Paul Diekmann, Jim Wright, Harold Folsom and Alice Lynn.

Meeting adjourned at 9:30 P.M.

EVELYN C. DAVIS
Town Clerk

BID MEETING — NOVEMBER 25, 1970

William Fletcher opened meeting at 8:45 P.M., signed his name on a pad and passed around the room so that all present could do the same. Mr. Fletcher explained that the bids would be put in alphabetical order, opened, and only the three lowest bids would be read. A copy of all bids would be sent to each bidder.

There were 9 contractors present. Also Verne Clarke of Pollution and Water Control Commission, Merle S. Rich, William Fletcher and Clerk, Evelyn C. Davis.

Lowest bidder was R. C. Foss & Son, Pittsfield.

Meeting adjourned 9:30 P.M.

EVELYN C. DAVIS
Town Clerk

TOWN MEETING
March 10th, 1970

The Town Meeting was opened by the moderator, Walter Roberts at 9:10 A.M. The Warrant was read and polls opened for voting on Article 1 until 6 P.M.

Mr. Rich made the motion that all Articles be open for discussion, a time limit of 5 minutes be set, before any action be taken on them. Seconded by Richard Fairbanks and so voted.

Moderator then stated that one of the Selectmen, Mr. Kenneth Sherman had been hospitalized and the tape recorder was brought in to inform him as to what was going on.

He also stated that the special ballot on the Sewer could be used after hearing on the Article.

Article 2 — Budget read.

Question asked, why \$400.00 spent, do we have Town Poor, would indicate that in fact we do have Town Poor.

Mr. Lawler made motion that budget be held over until later time, after Article 20, Seconded by Walter Croteau, and so voted.

Article 3 — Reports of Town Officers

Mr. Rich stated that he thought all reports were included in the Town Annual Report, if not given, please stand up and report.

Moderator mentioned report of Planning Board, if nothing more to be brought, will continue.

Article 4 — Borrow money on taxes.

A. Jones made motion to accept Article as read. Seconded by Mr. Hassell and so voted.

Article 5—Raise and appropriate for Class V roads. (T.R.A.)

Mr. Eaton made the motion to accept the Article as read. Seconded by Mr. Smith and so voted.

Article 6 — Equipment Fund.

Mr. Rogers made the motion to accept the Article as read. Seconded by Mr. Folsom and so voted.

Article 7 — Appointment of Commission on Conservation.

Richard Wright stated that he was the one responsible for this Article and explained reason for it. He felt it necessary for the sake of protection to recommend same and would answer any questions he could.

Mr. Rich said that the State had made a request and that it was a nationwide program.

Mr. Parsons made the motion to accept this Article, and that it seemed good to have an Article to vote upon without an appropriation. Seconded and so voted.

Article 8—Appropriating sum for hopper-type body for sanding.

Mr. Folsom explained his reasons for this Article and that the present one was obsolete. He also explained the type of sander they requested and asked motion be accepted. Seconded by Clark Davis and so voted.

Article 9 — Accepting Trust Funds.

Mr. Rich explained that the Scott Winfield amount of \$200.00 had come in after printing of Warrant.

Motion to accept Article by Walter Croteau. Seconded by Mr. Ayer and so voted.

Article 10 — Building and Zoning Regulations.

Mr. Rich explained. This was continued by ballot.

Article 11 — Full-Time Police.

Chief Jones stated he was one of the members of this Committee so would bring everyone up to date on it. Back in 1968 Town Meeting, a committee of three persons was set up to recommend costs of a full-time police chief for the Town of Newbury. On this committee was Clarence Perry, Alton B. Chaffee and Chief Jones. This committee would submit a report to the 1969 Town Meeting—which it did. This was read by Mr. Perry.

I believe on page 32 of your Town Report you have the full report. We covered several towns, full-time and part-time police departments. Charlestown was one, New London was another, and Hillsboro was another and Sunapee was another. We worked pretty hard on this to come up with a budget that we figured would work in the Town of Newbury. We recommended a budget of \$12-\$15,000.00 for the first year. This would be cut down the second year. This would take in a cruiser and one full-time and special officers. In May of last year, we were contacted by the State — the Federal Government give us matching funds on a package deal. Matching funds would be 40% over and above what we had already raised the year before. Whatever we raise would be over \$5,000.00. The Selectmen and myself and the Committee had several meetings with this Highway Safety State Committee and they came up with a little higher recommendation for the year than we did. Full time chief \$7,800. Special Officers \$1,200. Training \$500. The government set this high. The government will pay at least 40%. He didn't want the Town to go over any one of these that the State had recommended. Travel and subsistence \$500. Total personal service \$10,900. Cruiser operation \$700. Telephone \$100. Supplies \$400. Uniforms \$300. Usually \$300 is low, it costs around \$350 minimum to outfit a police officer, most of this being done by the officers themselves. Town owns very few uniforms. Direct cost, this is

cruiser, radio, lights and miscellaneous. We talked this over with the Selectmen, the Committee recommended a station wagon, the purpose of First Aid and Rescue equipment. The direct cost would be \$4,300 for the first year. The second year you wouldn't have this cost. The total budget was \$16,700.00; less \$5,000 that you appropriated the year before, would leave \$11,700.00. 80% of that is \$9,360; federal reimbursement is 50% and that would \$4,680. The Town share would be \$4,680. That would be the total budget for the first year. Moderator asked if Federal and State funds would be available each year for the operation under such plan. There is no guarantee that they will extend it, but it was almost a sure thing that he would extend it for one more year. They feel that if the town is doing a good enough job to go ahead for another year, they can go as high as three years. This money has been approved and the money is available. Moderator stated \$4,680. Right, this runs for a period of a year and one-half. Moderator—until end of 1971. It starts July of the year. Moderator asked if anything more was to be said on this Article.

Roy Parsons — If I understand Arthur, then the appropriation instead of being \$15,000 is to be \$10,000 some dollars?

Arthur Jones — \$1,700.

Mr. Parsons — I wanted to be sure that was clear.

Moderator — Would that be required for the year 1970 Arthur, because that would cover 1971 operation wouldn't it, as far as we are concerned.

Mr. Jones — Yes, as far the government, it starts July, this year.

Moderator — So if there is to be any appropriation, it has to be made this calendar year.

Mr. Jones — This was set up so that we would have the money to start operation January 1, 1971.

Moderator — So it could draw interest in the meantime—until it was needed. Anything further on this Article?

Mr. Digilio — I would like to ask Arthur a question. Do you think we need a full-time Police Department in this town?

Mr. Jones — Yes, I do. It is getting so that a man cannot work night and day. We are getting a series of breaks. In one week, we had 10 cottages broken into, this is being done around 3 or 4 o'clock in the morning. We have cleaned up three different gangs that have been working in Newbury this year, but there is that is a tough one to get, and they work just about daylight and you cannot get up night and day working on a job, you just can't do it.

Moderator — Anything further to be said on this Article?

Marie Lubinger — Even one person couldn't take care of that property on the lake. It would be constant patrolling. They come across the lake, they come down the roads that are plowed, we can't possibly take care of it. I don't think the town is large enough to warrant a Chief of Police.

Mr. Digilio — I would like to add one more thing. If we have a full-time chief, I would like the townspeople to elect their first chief. When he retires, the Selectmen appoint..

Mr. Jones — Are you thinking of adopting the motion here recommended by the Committee?

Mr. Digilio — I would like to do that.

Mr. Jones — So you want this amended? You want this to read that the first chief be voted in.

Mr. Digilio — Right.

Mr. Jones — At this meeting — it would have to be.

Mr. Digilio — Yes, this meeting.

Walter Croteau — Joe, what was the purpose of that? What would be the purpose of having the first one elected and subsequently appointed by the Selectmen. I think we should have them all elected.

Mr. Digilio — My personal feeling is that if the people in the town want him, he should be our first chief.

Moderator — Are you offering this as an amendment to this motion or to this Article?

Mr. Digilio — I do.

Mr. Croteau asked to have Article read.

Moderator read Article.

Mr. Sherman — It seems to me that we have two things here. The one is the principle of the idea of a full-time police. I see no names of anything involved. If we have a question of who—I think we would be better off in having two separate motions to go through on the Article 11. Then we have a new motion on the election and this is on the who business rather than the principle of the thing, and it would be better not to mix the two up together.

Mr. Sherman — I would be opposed to the amendment that has been suggested.

Moderator — Let us proceed on that basis. Anything further to be said on Article 11, on full-time police and raise and appropriate if accepted. Now the exact number of dollars that is required, Arthur, is how much?

Mr. Jones — \$11,700. In addition to the \$5,000 in the budget.

Mr. Jones — Mr. Moderator, I think we have a motion on the floor. Do you have a motion?

Moderator — No it was a recommendation for an amendment. Offer of amendment. We will proceed on Article 11, and then on method of election

or appointment of chief for the first chief. \$11,700 in addition to the \$5,000 that is now in the budget.

Mr. Parsons — Moderator, I think you are confused or I am, I think the figure reads \$6,700 less the \$5,000 in 1969 budget giving a total of \$11,700. Then you go down to less 80% and so forth, then if you add up the total project it would be \$9,360.

Moderator stated he had no figures before him so was trying to get this information accurately.

Mr. Parsons — I believe what we would vote on would be \$11,700.

Moderator — To include the \$5,000 which is in the budget.

Mr. Rich — You have \$5,000 which is in the budget. The moderator just announced it — what you are voting on is \$11,700 plus the \$5,000 in the budget makes a total of \$16,700. He read it off to you, but you didn't hear it.

Discussion — To see if the meeting will accept the use of a full-time police department and raise and appropriate the sum of \$11,700 in addition to the \$5,00 already in the budget for the operation of the department through the year of 1971.

Mr. Parsons — It might be well to put in— with the anticipation of a refund of approximately \$4,680 from Federal government.

Moderator — All right, we can add that—to read—"subject to a refund estimated \$4,680 from Federal funds." Is that perfectly clear? All in favor say Aye—No (1) so voted.

On full-time Police Chief—

Motion by Moderator — Is it the feeling of those present here, that the present Chief of Police become a full-time Chief when this plan becomes effective. All in favor say Aye—none opposed and so voted. Is that satisfactory, Mr. Digilio?

Article 12 —

This continued by ballot.

Mr. Rich spoke on the article after the reading of same by moderator. Also read was copy of letter sent out to voters.

Article 13 — Restraining of Dogs.

Maude Carlson explained her reason for having this Article put in. Chief Jones submitted ordinance to be adopted.

Proposed Dog Ordinance—To see if the Town of Newbury will vote to require that any dog or dogs owned or kept in the Town of Newbury shall at all times, when within the limits of said Town, and not upon or within the premises or property of its owners or keepers, be restrained from running at large.

Any owner or keeper of a dog found in violation of this by-law shall for each violation thereof forfeit \$10.00 to the Town of Newbury, and said

penalty may be recovered on complaint before New London District Court.

Mr. MacDonald made motion to accept Article. Seconded and so voted.

Article 14 — Re: Retirement Insurance.

After some discussion, the Moderator appointed a committee of three (3), the Road Agent and two (2) citizens to look into the plan with revisions and report back in one year (1971). Seconded and so voted.

Mr. Rich moved to adjourn for lunch, to resume at 1 o'clock.

Article 15 — Purchase of Bell Cove Land.

Mr. Larson explained reason for wanting to purchase this property.

Mr. MacDonald asked the Planning Board to give opinion.

Mrs. Alice Lynn stated that this particular thing was not discussed at any of the meetings.

Mr. Lawler moved that the Article be accepted. Seconded and so voted.

Article 16 — Gift of land to be added to Chandler Cemetery.

Mr. Rich spoke on what was to be done, etc.

Mr. Rogers made motion to be accepted as read. Seconded and so voted.

A show of thanks was given the Perkins family for gift.

Article 17—Three-Year Term for Town Treasurer, Tax Collector and Town Clerk.

Motion was made that this be put on ballot in the year 1971. Seconded and so voted.

Article 18 — Establishing Three-Year Term for Town Auditors.

Article accepted as read. Seconded and so voted.

Article 19 — To exclude from plan service those paid less than \$50.

Motion made to accept as read by W. Croteau. Seconded and so voted.

Article 20 — All other business.

Mr. Rogers made the motion to accept the budget as read. Seconded and so voted.

Mr. Wright stated he found it hard to attend day meetings and wondered if it could be moved to be held at night. Wished comments from others.

Mrs. Martin stated same feelings, also Mrs. Roache.

Mr. Bailey stated that meetings are held at night in Town of Sutton.

Moderator read Statute.

Mr. Vashel asked for a Saturday.

Mr. Rich stated must be second Tuesday in March.

Mr. MacDonald made the motion that this be put on ballot next year—1971. Seconded and so voted.

Mrs. Lynn spoke on sub-division.

Mr. Rogers stated that he thinks Planning Board did a good job.

Mr. Parsons made motion that any voting as of now on sub-division regulations taken by the Town be recorded for the records. Seconded by Mr. Sherman and so voted.

Are you in favor of the adoption of the zoning ordinance as proposed by the Planning Board?

Yes — 120 No — 67

Are you in favor of the adoption of the building code ordinance as proposed by the Planning Board?

Yes — 119 No — 63

Shall the provisions of Chapter 287 of the Revised Statutes Annotated Relative to playing games of beano, be adopted in the Town of Newbury.

Yes — 150 No — 27

Shall \$130,000.00 be appropriated for the purpose of financing and constructing a municipal sewerage system at Croft Beach and the Selectmen be authorized to borrow said sum under the Municipal Finance Act?

Yes — 127 No — 75

This was shy the necessary two-thirds majority for the passage by only eight votes.

Total of 206 ballots were cast.

Meeting closed at 1:55 P.M. voting continued until 6 P.M.

After closing polls, ballots were counted as follows:

Selectmen for Three Years		
F. Arthur Larson		127
Stephen MacDonald		77
Town Clerk		
Evelyn C. Davis		11

VIOLET A. JONES

Town Clerk

DOG ORDINANCE

Town of Newbury, N.H.

The Selectmen, by vote of the Town Meeting, March 10, 1970, do hereby order that any dog or dogs owned or kept in the Town of Newbury, and not upon or within the premises or property of its owners or keepers, be restrained from running at large.

Any owner or keeper of a dog found in violation of this by-law shall be for each violation thereof forfeit \$10.00 to the Town of Newbury, and said penalty may be recovered on complaint before New London District Court.

Under our hands and Seal, this 1st day of April, 1970.

MERLE S. RICH

J. ARTHUR LARSON

Selectmen,

Town of Newbury, N.H.

COURTESY TOWN MEETING

August 8, 1970

Moderator Walter Roberts called the meeting to order at 8:00 P.M. He greeted everyone and introduced all the Town Officers that were present. He explained the purpose of the meeting and asked that questions be submitted in writing. They were then collected and acted on as follows:

Q—I asked the question can anything be done to take down the dead elms at the entrance to Bay Point Rd. last year. One year gone by and no action.

F. Mikutajuis

A—Arthur Jones said that he had spoken to manager, Dick Parker, and that Mr. Parker had told him that there hundreds of elms that needed to be taken down, and apparently no action had been taken.

The Selectment will speak to Mr. Parker again.

Q—Has the town given any consideration regarding the surface repair of the old section of Route 103 between Newbury Heights and present 103?

M. C. Putnam

A—It will be repaired. H. Folsom, Road Agent.

Q—What can be done about having a 25 MPH sign put at the entrance of Bay Point Road. We have two other owners who agree to this.

F. Mikutajuis, F. J. Dance and
N. Tonello, Bay Point Rd.

A—Chief Jones will post signs. (Mr. Jones stated that he has posted this several times, but that someone keeps taking down the signs.)

Q—Pine St. in Blodgett's Landing is one-way, but it has become two-way traffic, because the sign is up and down.

A—I will have Road Agent Harold Folsom take care of the Pine St. sign. A. Jones

Q—Would it be possible to have the land cleaned up where Blodgett Lodge was located.

Flora Burr

A—Selectman Arthur Larson said that he had spoken to the owner about this, but the owner had been sick, and he would speak to him again. Richard Fairbanks stated that he thought the Zoning Ordinance would cover that.

Q—Is it safe to take your drinking water out of Sunapee?

A—The state maintains that no surface water is safe. I personally believe that if you run a pipe deep enough into Sunapee, it should be OK to drink. As of June 1, 1971, chlorination will no longer be acceptable as a purifier.

A. Chaffee, Health Officer

Q—Re: parcel of land between Route 103 and old Route 103 in Newbury. Is this land zoned for residential or business buildings? Who is responsible for the large holes that are being dug? Is this town interested in obtaining this parcel of land to go along with their shore frontage?

W. H. McRae

A—It is zoned for business. The holes are probably test holes or percolation holes. Mr. Sherman will take this up with the Board of Selectmen and handle this. Yes, the town is interested in pur-

chasing the property and the Selectmen are working on this at present.

F. Arthur Larson

Q—Explain Zoning.

A—Copies of the Building and Zoning Code were passed out to all who wished them and Mr. Larson stated that our zoning code was very simple and felt that most of the items were self-explanatory.

Q—Could a copy of the Building and Zoning Code be inserted in each tax bill so that all property owners would receive one?

Non-resident property owners

A—Yes, it will be done. F. A. Larson

Q—Are the taxes going to be increased this year, and why?

A—Yes, they will be increased. It depends on what the citizens vote at the March Town Meeting, like sewer projects, full-time police chief, etc. These things raise the taxes. The Regional School is also helping to increase the tax rate. K. Sherman

Q—How much new construction in Newbury for the last year, and what does it amount to in taxes?

G. Marquis

A—A little over \$200,000 raised in new taxation property

Merle S. Rich

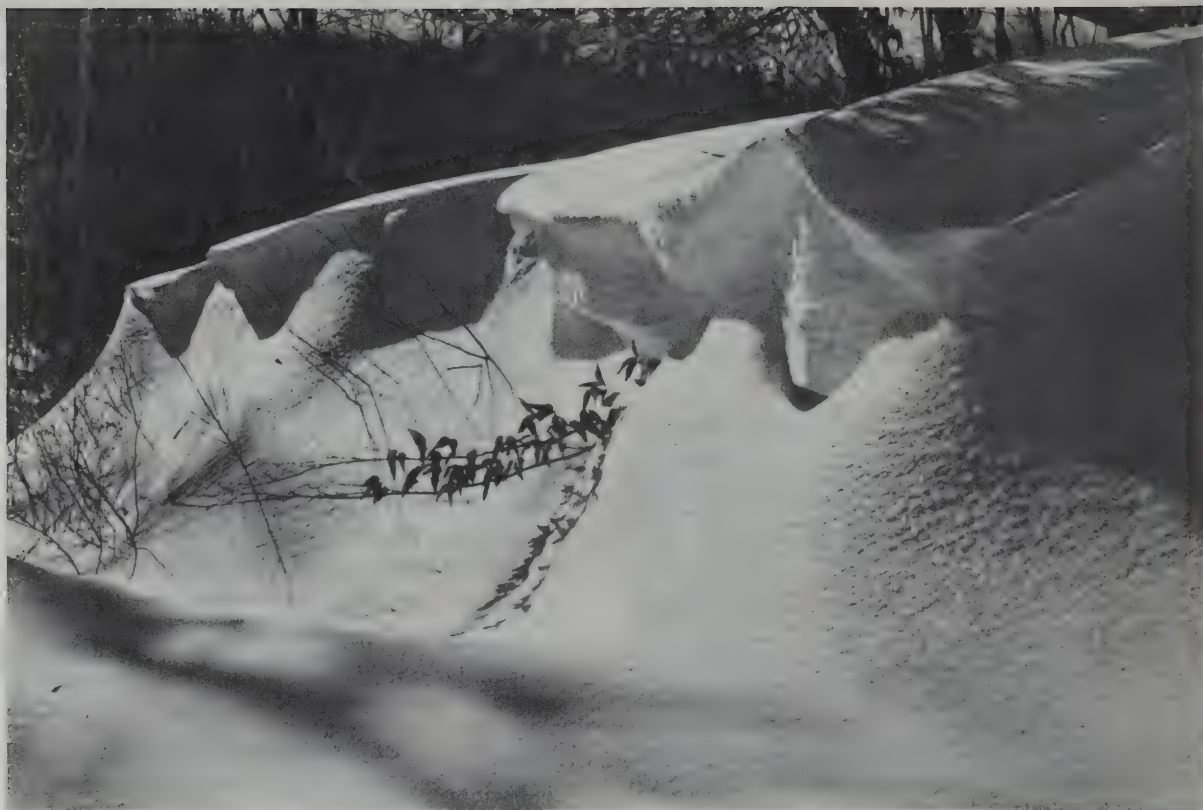

Ken Sherman said that the non-residents have asked if they could have a voice in the Town affairs. He stated that the Constitution would have to be changed and that would be very difficult. However, one means to change things concerning Newbury and that is through the Lake Sunapee Protective Association. By joining that and backing it up could be of value to you.

One summer resident wished to thank Harold Folsom for the grand job of plowing snow last winter. Mr. Folsom got a round of applause.

It was decided to hold another Courtesy Town Meeting again next year on the second Saturday of August at 8 P.M.

Meeting adjourned at 9:05 P.M.
